How Techscheme works

Techscheme is a simple way to buy the latest tech.

How does it work?

Browse the Apple Store or Currys PC World and choose your must-have items. Then head to your Benefits Platform to apply. Once your employer approves your request, the item(s) you wanted are yours!

How do I save money?

With Techscheme you save up to 12% and spread the cost over 12 months.

How do I get my order?

Shop in-store, online or click and collect for FREE with Currys PC World.
